BACKLINE
RENTAL
NEDERLAND

We are Backline Rental Nederland. We rent out backline & instruments, audiovisual equipment and provide a full backline service for your event. You can read more about the options down below.

Full backline care during your event

Backline Rental Nederland offers complete care during your event. We are happy to think along with you from the start and we will advise you on the choice of backline for your event. We deliver the materials to the location at the time of your choice, set up the equipment, arrange it and remain available during the show if you wish. Feel free to contact us to discuss the possibilities.

Touring artists, festivals and band competitions

We provide customization to touring artists. Do you have a limited budget and would you like to collect and return the equipment yourself? No problem.
Are you looking for a comprehensive service? Then you can also contact us. We can deliver equipment including transport and a driver in Western Europe.
We can also supply for festivals and band competitions for every budget.

Photo shoots, props and other services

A picture in front of a Marshall wall? Or do you need a piano for a television broadcast? We have a wide variety of instruments and props.

You can also approach us for service and maintenance of equipment. We also provide transport and storage of your own backline. We distinguish ourselves in service and quality. We offer 24-hour service and last minute deliveries.

If the brand and type of your choice is not in the price list, please contact us. We have a large network and regularly purchase new material.

We use attractive discounts for multi-day rental.

Call or email us for more information. Or make an appointment for a cup of coffee.
Backline Rental Netherlands is located in Roelofarendsveen, directly next to the A4, a 15-minute drive from Amsterdam Schiphol Airport.
